By Signing Below, Applicant Acknowledges the Following

- Installation and maintenance of signs on *public* roads is the Road Commission's first priority. Private road signs will be installed by the Road Commission as time allows.
- The Road Commission does not assume any liability claims or maintenance costs resulting from the installation of this private road name sign and/or stop sign and/or signpost. The Road Commission reserves the right to require removal of this sign as needed for road maintenance or construction purposes within the public road right-of-way without replacement or reimbursement of any costs incurred by the applicant or other party. Applicant will defend, indemnify and hold harmless the Road Commission for any claims whatsoever resulting from the installation of the sign(s) and signpost authorized by this request.
